Jose,

Thank you for confirming the permit number. I don't know why Mr. Acevedo couldn't find any records under that number, but hopefully you can resolve this with him. The FOIA request for the Sirius Marina permit application will most likely be resubmitted today.

The letter sent to Summer's End Group from your office, dated October 22, 2015, requested a response within 30 days. I don't know whether this is counted as business days or as calendar days, but in either case that period will soon expire. Could you possibly let me know when Summer's End sends a response to your letter, so we can submit a FOIA to receive a copy? This would be much appreciated.

With best regards,
David Silverman

Good day Mr. Cedeño,

A resident of Coral Bay (Mr. Gerry Hills) has submitted a FOIA request for the Department of the Army permit application by the Sirius Development group on property owned by the Moravian Church in Coral Bay, St John. Based on earlier correspondence with you, I was under the impression that the permit application number assigned to this project is SAJ-1982-05019, however Mr. Acevedo indicated in his response that there is no permit application with that number assigned.

Can you verify the application identification number for the Sirius Marina project so that the FOIA can be corrected?

Thank you,
David Silverman
