Johann,

A FOIA can be filed at any moment on any government document. Whether it is releasable is another issue, and requires counsel review.

Noel:

Enclosed is the JPA submitted by the proponent.

For my information and clarification, if this is included in any document please let me know, when can a FOIA be requested.

Thanks;

JMS

Ah, "Summer's End" is the name of the facility, and it's only Tuesday. Send me a scanned copy of the permit application and I'll process.

Hello Sindulfo -

Is it possible that we could receive a copy of the full Army Corps application for the marina by Summer's End? If, so please send it to this email address and the copy to address. (we are having email issues associated with high volume right now.)

We look forward to seeing you and your colleagues in Coral Bay in October.

Thank you, Sharon Coldren
