Marilyn,

Johann is out of the office this week and he asked me to check with you to follow up on anything I can be of assistance. He returns Monday. Please advise. Thanks.

Good afternoon Johann - - Our Program Chief, Mike Piccirilli, Torre and myself would like to have a telephone conversation with you at your earliest convenience next week Monday or Tuesday to discuss the St. John Marina project. Will you please let us know when you may be available? If Mr. Castillo is available, we would like to invite him to join us as well. Please let me know if I should email him directly. Thank you.

Good morning Johann - - I apologize for my delay, as well as Torre's delay, in responding to you. Torre is attending a conference in Tennessee this week, and will return to the office on Tuesday, October 14. I wanted to ask if we could postpone our discussion until Torre returns so that we can have a more thorough discussion of the St. John Marina project. Are you available anytime Tuesday, October 14 between noon and 2 pm? Thank you Johann.

Torre:

I have been out of the office for the last two weeks. Lets schedule a call for tomorrow afternoon, 1300?

I'm sending a meeting request, please advice if this time fits your schedule.

Thanks;

Johann M. Sasso, EIT
Project Manager
U.S. ARMY CORPS OF ENGINEERS

Johann,

This note is to notify you of our attempts to touch bases with you to discuss the St. John Marina BIGP project. When you have an opportunity, will you please give us a call at 404.679.4159, or Marilyn Lawal (404.679.7277) in order to provide helpful information that will aid in making good decisions regarding this project. Thanking you in advance...
