Re: SAJ-1982-05019 (SP-JCM)
Sirius Marina, St. John, VI

Dear Mr. Cedeno:

We are in receipt of your August 31, 2016 letter requesting additional information in order for the Army Corp of Engineers to meet regulatory requirements and procedures applicable to the review of the Sirius Marina permit application, SAJ-1982-05019 (SP-JCM).

Due to the extensive information being requested, we respectfully request that the Corp grant us an extension of 60 days in addition to the 30 days stated in your letter for submittal of the requested information which is a total of 90 days from August 31.

As stated in your letter, we respectfully are requesting that a meeting be set up as soon as possible to discuss various aspects of our permit application and the additional information being requested. We are available anytime and hope it can be done within 30 days.

We look forward to the Army Corps of Engineers' approval of our request for an extension of the submittal of requested information deadline.

Should you have any questions or concerns, please contact me.

Sincerely

William McComb, PE
