Virgin Islands Department of Planning and Natural Resources
Coastal Zone Management Program
Re: Coral Bay Summers End Marina

Dear Sir,

As a member of the Coral Bay community, I want to add my voice of opposition to the proposed plans for a marina in Coral Bay by Summers End. I love living in Coral Bay because it is quiet and far away from big development, has a small town feel to it, and a strong sense of community. I know that tourists that rent villas in Coral Bay also visit Coral Bay for the same reason. Building a big marina will make Coral Bay loud with construction and overrun by big development. It will take the charm out of the village. I do not believe it will help the local community, but rather benefit a few big businessmen.

Please hear our voices and do not approve their plans to build such a big marina and take over the bay.

Thank you kindly,

Carolyn Roust
