Re: Coral Bay Summers End Marina

Hello,

Please do not change Coral Bay. I spend ten days here every March. I spend a great amount of my time and money to vacation in Coral Bay. Coral Bay is laid back with everything I want for my ten day vacation. The donkeys, goats, restaurants, easy access to the beautiful park and beaches. If you build this marina, I shall say goodbye to St John forever. This is one place in the United States that is not ruined by over development and uptight tourists. Do not destroy what is already perfect.
