

Mr. Jean Pierre Oriol
Acting Commissioner
Virgin Islands Department of Planning and Natural Resources
Coastal Zone Management Program

Mr. Oriol,

We have been regular visitors to St. John over the past six years. Although we've traveled extensively, we keep returning to St. John, particularly Coral Bay, because of the unique community, minimal development, slower pace and stunning natural beauty. We've enjoyed Coral Bay so much that we are currently under contract to purchase a home just above the marina that has been proposed by the Summer's End Group.

It seems a travesty to foist such a large commercial enterprise on a community that does not want it and on an island that may not recover from it. We are horrified by this proposal and would like to add our outrage to that of so many current Coral Bay residents.

Best regards,

Cj Suter and Jennifer Walker
