Atlanta, GA 30345

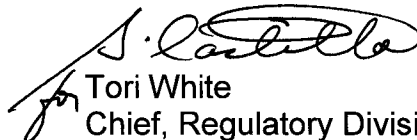

Mr. Piccirilli:

In reference to your correspondence dated December 05, 2014, in which you requested the United States Army Corps of Engineers (Corps) to become a cooperating agency during the evaluation of the National Environmental Policy Act (NEPA) process for the St. John Marina Project in Coral Bay, St. John, US Virgin Islands, the Corps agrees to become a cooperating agency with Fish and Wildlife Service.

The application has been assigned Corps file number SAJ-2004-12518, and the project has been assigned to Johann M. Sasso. Should you have any questions, please contact him at the Regulatory Division, Antilles Permits Section, 400 Fernandez Juncos Avenue, San Juan, PR 00901-3299 or by telephone (787) 729-6905, by fax (787) 729-6906 or by e-mail at Johann.M.Sasso@usace.army.mil.

The Corps Jacksonville District Regulatory Division looks forward to working in tandem with your agency. Should you have any additional questions, please do not hesitate to contact me.

Sincerely,

Tori White
Chief, Regulatory Division
